

## Insurance Policy

We accept most dental insurance plans and are a network provider for **Delta Dental of all states and Blue Cross of Idaho**. We will submit to your primary and secondary insurance companies but if there is a third insurance company involved it will be your responsibility to submit to them.

We will prepare all the necessary forms for this important benefit. However, we remind you that your policy is an agreement between you and your insurance company, not between your insurance company and our office. It is therefore your responsibility to know your own policy.

**Copays and deductibles are due at time of services rendered.** We can make no guarantee of any estimated coverage, but we will do our best to see that you receive your maximum benefits. Please keep in mind that you are responsible for your total obligation should your insurance benefits result in less coverage than anticipated.

If you would like to know what your expected coverage will be, we will submit a pre-treatment estimate. Your insurer will generally send a detailed response within 4-6 weeks.

I have read and understand the above insurance policy and agree to the terms above regarding payment. I authorize Mt. Baldy Dental Center to release any information concerning my case to my insurance company. This acknowledgment will become part of your records. Thank you.
